

Another *Go-To* Solution that Saves Time, Budget and Gets the Job Done

REMOTE CAMERA TALLIES, SIMPLIFIED

Managing Camera Tallies between Control Room and Remote Site should be fast & easy!

Press a button, Select on a web page:

Assign On-Air tallies- assign one Control Room to one remote site

Split On-Air tallies- assign one Control Room to multiple sites

Share On-Air tallies- assign multiple Control Rooms to one site

Make Control Room to Remote Site assignments:

From within each Control Room

From a Central Supervisory Position

At a specific time, when pre-defined conditions exist, or right now!

Assign:

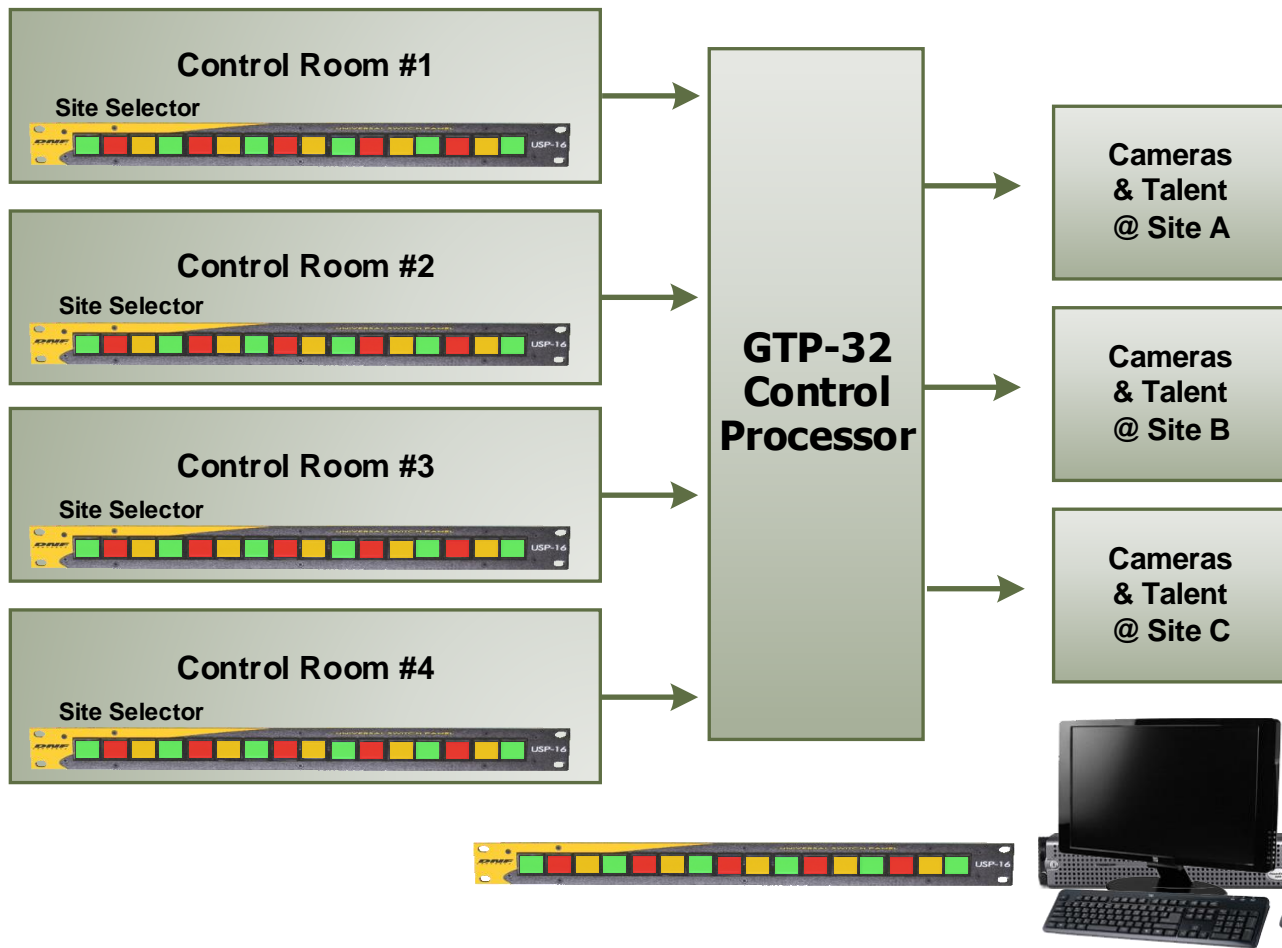

Shared control from multiple Control Rooms to one Remote Site

Exclusive control from one Control Room to one Remote Site
